

For students registered between September 2022 and August 2023:

General Notes

1. Not all the courses listed in the syllabuses will necessarily be offered every year. The supervisor may, depending on individual student's research field and needs, recommend that a student replace the listed course(s) with course(s) from the MPhil/PhD curricula of cognate disciplines, or those offered by other local UGC-funded tertiary institutions under the Cross-Institutional Course Enrolment Scheme, subject to the approval of the Faculty Higher Degrees Committee (FHDC).
2. Students may, on the recommendation of the supervisor and subject to availability and approval, take up to five course(s) from the taught postgraduate programmes offered by the Faculty which are not otherwise listed in the syllabus. However, such course(s) taken will not be counted towards fulfilling the Faculty coursework requirement, unless special approval is given by the supervisor and the FHDC.
